

GREAT NEW CASA PARTICULAR IN HAVANA

There is now a fantastic new casa particular in Centro Havana, fully renovated and very close to everything, and the best thing is it's a joint venture with someone many of you know from Moro's Salsa classes.

The casa address is **MANRIQUE number 64** between SAN LAZARO and LAGUNAS.

It's one block from the Malecon, two blocks from Galiano and the Casa de la Musica, and close to the shops in Neptuno, Parque Central, Habana Vieja, Chinatown, and heaps more.

The casa has two large rooms to rent, each with en-suite and air-conditioning, and a King-size bed. There is 24 hour hot and cold water to each shower and basin, and each toilet has a bidet washer.
